DIE SKOOL WAT DIE UITDAGINGS VAN DIE LEWE IN SUKSESSE OMSKEP
THE SCHOOL THAT TRANSFORMS THE CHALLENGES OF LIFE INTO SUCCESS

Letter 3 of 2026

12 June 2026

Dear Parents and Guardians

As we come to the end of Term 2, I would like to take a moment to reflect on what has been a productive and eventful term.

Firstly, I extend my sincere appreciation to our learners for their commitment and hard work throughout the term and exam. Your dedication to your studies, participation in sport and cultural activities and overall conduct does not go unnoticed. Our Grade 12 learners now had a glimpse into the emotions and expectations it takes to sit for a Grade 12 examination. There are **21 days left** before they sit for the National Senior Certificate (NSC) examination. ***There is no second to be wasted and there is no more time for procrastination and poor work ethics.***

To our parents and guardians, thank you for your continued support and partnership with the school. Your involvement plays a crucial role in the success and development of our learners.

I would also like to commend our staff for their professionalism, resilience and unwavering commitment to delivering quality education and assessment. Your efforts into the marking, moderation and quality assurance is highly appreciated. I would like to congratulate our educators that are also playing and competing on Club, Provincial and National Level.

Mr. N Maduna – Springs Rugby Club

Ms. J Vlok – Eastern Gauteng Indoor

Ms. Z Gertenbach – Gauteng Indoor

Ms. N Roets – Gauteng Indoor

Ms. N Gertenbach – Ekurhuleni Senior A, Gauteng Indoor and she is also representing South Africa at the upcoming South African Action Sport Tri-Nations.

This term has seen active participation in various sporting codes and extracurricular programmes, which continue to build teamwork, discipline and school pride. We had a successful Netball, Rugby and Hockey season with many of our players elected to represent the school at Rhino week, Grand Khomo, Ekurhuleni and Valke level. Chess also made their mark in the individual competition. The Choir is performing exceptionally well on district and

regional level. Learners participating in the in-house and local Eisteddfod are excelling in their respective items.

The Grade 12s will follow a winter school programme: **13 – 17 July** for all learners at risk and other additional dates for content and a high-flyer programme. Communication and a timetable will follow soon. As requested in the gr 12 parents meeting, gr12s **must** attend school until the final NSC examination.

As we approach the winter holiday, I encourage all Gr 8 to 11 learners to rest well and return refreshed and ready for Term 3. For those who may not have achieved their desired results, this is an opportunity to reflect, seek support and improve. Good luck to all our netball, hockey and rugby players who will be touring on District and Regional Level.

Parents must please stay up to date with the school fees, as it is the only lifeline, we have to maintain the standard of teaching and learning at the school. Thank you to the parents that are diligently paying school fees.

Report cards will go out on the last day of the term: **26 June 2026** from **8:00 to 10:00**.
