Dear Parents and Guardians

NEWLETTER 4

As we come to the end of Term 3, I would like to take this opportunity to thank you, our parents and guardians, for your continued support, commitment and partnership throughout the term.

Term 3 has been a busy and demanding term, filled with academic, sporting, cultural and other school activities. I am incredibly proud of the dedication and resilience demonstrated by our learners and staff. Every achievement, whether big or small, is a reflection of the combined efforts of our learners, educators, parents and the broader school community.

To our learners, I commend you for your hard work and perseverance. Remember that success does not happen overnight. It is built through discipline, consistency, responsibility and the willingness to learn from your mistakes. As we continue to embrace our 2026 theme, "**LIVE YOUR DREAM,**" I encourage every learner to continue believing in yourself and working towards the future you want to create.

A special word of encouragement goes to our **Grade 12 learners**. You are entering a very important stage of your school journey as you prepare for your final examinations. Continue to work diligently, attend all remaining classes and use every opportunity to prepare yourself academically. Your final results can open important doors for your future, so remain focused and committed. We believe in you and wish you every success.

To our parents, please continue to encourage your children to use the school holidays productively. Ensure that they have sufficient time to rest and recharge, but also encourage them to read, revise their work and prepare for the final term. Your involvement and encouragement make a significant difference in your child's academic and personal development.

I would also like to remind parents to continue reinforcing the values that we promote at school: **Respect, Responsibility, Integrity, Tolerance and Compassion**. When home and school work together, we create an environment in which our learners can grow into responsible, confident and caring young adults.
