All parents and guardians are requested to complete the re-registration process for learners currently in Grades 8 to 11 who will be returning to Hoërskool Johan Jurgens in 2027.

We appeal to all parents and guardians with outstanding school fees for 2026 to make the necessary arrangements to settle their accounts as soon as possible.

The payment of school fees plays an important role in enabling the school to meet its financial obligations and continue providing quality educational opportunities to our learners.

Parents who are experiencing genuine financial difficulties are encouraged to contact the school finance office to discuss their circumstances and possible payment arrangements.

Please note that all matters relating to school fees will be handled in accordance with the applicable legislation and school policies. **NO LEARNER will be allowed to go to the Matric Dance if school fees are not up to date.**

We sincerely thank those parents who have honoured their financial commitments throughout the year.

All athletes are reminded of the importance of physical conditioning and fitness in preparation for the 2027 sporting season. A structured conditioning programme will be implemented to help athletes improve their endurance, strength, speed, flexibility and overall physical preparedness.

Participation in the programme is important for all athletes, irrespective of the sport in which they participate. Coaches and sport coordinators will communicate the relevant arrangements, including dates, times, venues and specific requirements.

Athletes are expected to:

- Follow the instructions of coaches and conditioning personnel.

A Final Word

All learners that turned 16 years old **MUST** go and apply for their **SMART ID's**. Learners cannot register for Gr 12 NSC exam if they don't have a SMART ID.

The relationship between home and school is one of the most important foundations of learner success. Your involvement, communication and support enable us to create an environment in which our learners can grow, develop and reach their full potential.

As we enter this final phase of the academic year, I encourage every learner to remain focused, every parent to remain involved, and every member of our school community to continue working towards our shared goals.

Let us continue to live our school theme, "**Live Your Dream**," by encouraging our learners to dream boldly, work diligently and take responsibility for their future.

Thank you for your continued trust and support.

Yours faithfully,

E Gertenbach

Principal
